Branding

Branding board

The branding board is available either wall mounted or free standing, made of 8mm blue acrylic with dimensions 325x183mm. It is printed with a white Silent Gliss logo.

Cost: Free of charge

Magnetic Branding Badge

Two aluminum plates showing the white Silent Gliss logo on a blue background are joined by two strong magnets which guarantee a lasting attachment on all fabrics. The plates are 90x30mm and suitable for most blind samples. They can be attached to Venetians using adhesive pads. Recommended for use in conjunction with plastic display wallets.

Cost: Free of charge

Plastic Leaflet Holders

For use in conjunction with branding badge. The plastic wallets can be used to provide explanatory information about the specific product on display. Inserts for all product groups are available. These allow for information to be written on the reverse side.

Cost: Free of charge

Literature

Overview Folder

Exclusive folder A5 (landscape) with two tabs for flyer inlays. The right side contains product group flyers, whereas the left side provides space for the overview flyers. The overview flyers contain information about the Silent Gliss philosophy, general motorisation and fabrics. Note that the product group flyers do not contain any specific information about systems, only images.

Cost: Free of charge

Product Brochures

Product brochures feature a wealth of product information, inspiring room sets and product close ups. Each brochure summarises the systems contained within a particular product range.

Size: 165mm x 297mm / Cost: Free of charge

Literature / Display

Catalogue

A detailed overview of all systems and parts used in the assembly of our products. Includes application charts and fitting information.
