Solar Shading for Modern Interiors

Silent Gliss, a leading supplier of window treatments for both contract and domestic interiors are an Authorised Network Provider of RIBA CPD assessed material.

The one hour seminar covers all aspects of solar control including:

- The increased importance of solar protection, particularly in the workplace, identifying key aspects affected by European legislation.
- Internal shading solutions as well as the effect of different screen fabrics on factors such as solar gain, natural light, eye comfort, heat protection and contrast vision.
- A look at the 'route to specification' when specifying window treatments.

For further information about the seminar or to book places please contact **Georgina Clark, CPD Co-ordinator**
